SAVE MART GROCERY MANAGER SURVEY QUESTIONNAIRE

All questions in this survey pertain to your work as a Grocery Manager for any of the Save Mart companies in California at any time after February 7, 1998. Mark all the boxes that apply to you during the time you hold, or held, the Grocery Manager position.

1. Are you currently employed by any of the Save Mart companies, i.e., Save Mart Supermarkets, Food Maxx, or S-Mart Foods? Yes No
(Please check one of the boxes to the right.)

2 (a). If yes, what position do you hold? (Please fill in the blank to the right.) _____

2 (b). If no, what was the last position you held? _____
(Please fill in the blank to the right.)

3. How many hours do you/did you work per week, on the average, as a Grocery Manager? _____
(Please fill in the blank to the right.)

4. How many hours do you/did you work per week, on average, at the current/last location you work(ed) as a Grocery Manager? _____
(Please fill in the blank to the right.)

**For question 5, the answers are paired to equal 100%.
Please choose the combination that reflects
the appropriate amount of time you spent in each area.
PLEASE CHECK ONLY ONE BOX!**

<p>5. While working as a Grocery Manager, what total percentage of your weekly work time is/was spent doing any or all of the following activities?</p> <ul style="list-style-type: none"> Performing the same kind of work as subordinate employees (As used throughout this survey, "subordinate employees" refers to all hourly store level employees). Performing any production work, even though not performed by subordinates, which is not part of supervisory function. Making sales, replenishing stock, returning stock to shelves, except for supervisory training or demonstration purposes. Performing routine clerical duties, such as bookkeeping, cashiering, billing, filing, or operating office machines. Checking and inspecting goods as a production operation, rather than as a supervisory function. Performing maintenance work. 		<p>While working as a Grocery Manager, what total percentage of your weekly work time was spent doing any or all of the following activities?</p> <ul style="list-style-type: none"> Interviewing, selecting and training employees. Setting and adjusting pay rates and work hours. Keeping production records of subordinates for use in supervision. Evaluating employees' efficiency and productivity. Resolving employees' complaints and grievances. Disciplining employees. Planning the work, determining the techniques to be used in doing the work, and distributing the work. Deciding on types of materials, supplies, machinery and tools to be used or merchandise to be bought, stocked, and sold. Controlling the flow and distribution of merchandise, materials, and supplies. Providing for the safety of employees and property.
